### Strategies to Improve Reading Skills at Home or School

**Turn Off Internet Access** Before study starts, turning off internet access is another smart way to minimise distractions. Keeping the discussion related to them makes the conversation more meaningful and holds their interest longer.

### 10 Ways to Help Your Child Succeed in Elementary School (for Parents)

**Understand Energy Levels for Better Focus** Studies show that people are most likely to maintain their peak focus for an average of 1-2 hours a day. Reading comprehension is the ability to read a sentence and understand its meaning.

### 11 Ways to Help Your Child to Read With Fluency

Low energy and concentration problems associated with teen depression can lead to a declining attendance and drop in grades. Parents of elementary-age children should provide reading materials in the home that arouse curiosity or extend their child's natural interest in the world around them. Explaining what your child learned in his or her own words helps ensure your child understands what was read.

### 7 Tips for Parents to Help Your Child Develop Effective Study Skills

Being able to connect what has been read to something else in their lives helps students think abstractly about the material. Warning signs of a troubled teen: Red flags include a sudden change in peer group especially if the new friends encourage negative behavior , refusing to comply with reasonable rules and boundaries, or avoiding the consequences of bad behavior by lying.

### How to Help Teens Develop Good Study Habits

Sometimes students want to stay home from school because of problems with classmates, assignments or grades, or even teachers.

## **Strategies to Improve Reading Skills at Home or School**

A teacher can weigh in on the best next steps to take. Having everything listed out can make it easier for him to get started and prioritize his time. Sit down with your child, and ask her what books she would like to be able to read.

### **6 Ways to Help Students Struggling with Reading Close the Gap**

That is our mission at HelpGuide.

### **16 Ways Parents Can Help Their Child with Testing, Reading, and Mathematics**

Teens may use alcohol or drugs in an attempt to:
