### Competition policy

CUTS INTL, REPORT: SEMINAR ON THE DRAFT IMPLEMENTATION REGULATIONS FOR THE VIETNAM COMPETITION LAW Apr. The competition authorities, therefore, have the difficult choice between an approach that is conceptually sound but subject to considerable practical difficulties and an approach that is conceptually second-best but is easier to implement. Article 86 1 formerly Article 90 1 in conjunction with

the Treaty rules addressed to undertakings I.

### Universal Service Obligation in Telecommunications

Our modest proposal is a three-step rule of reason analysis that screens out ties that could not be anticompetitive--because the necessary conditions do not hold--and then balances anticompetitive and procompetitive effects in the final stage. In its 2001 decision in Microsoft III, the D. INTELLECTUAL PROPERTY RIGHTS PART II: THE SUBSTANTIVE LAW OF EXCLUSIVE RIGHTS IN THE EC TREATY 3.

### History and Development of Competition Law in India

Many favour ever more uniformity in the interpretation and application of EU competition norms and the procedures to enforce them under this system.

### State monopoly on violence

When Vietnam moved firmly towards a market economy in the early 1990s, SOEs were unable to compete in both domestic and world markets because of the small size of most SOEs compared to international standards and their financial, managerial and organizational fragility.
