As the world of education changes, Gale continues to adapt to the needs of customers and users. Gore Vidal's political essays are a live feed of the simultaneously expanding and deteriorating American Empire. For example, I was reading one last night and came across the phrase, 'general smile of mankind'.

His paintings are like pictures painted on the inside walls of his mind. And lord is he funny about the strange effects of theory and academia on contemporary literature.

## Selected Essays, 1917

Given that Emerson was an American icon who str As a pessimistic Christian and a socialist I wasn't sure how i'd get along with a philosophy rooted in the innate goodness of man and nature and one associated with rugged individualism at that. In one of my favorite essays from The

Rambler, Johnson ruminates on the perennial conflict between youth and age.
