Information about this provider

On 31 July 2016, Shrewsbury College merged with Shrewsbury Sixth Form College to become Shrewsbury College Group. The college is now a designated sixth form college providing tertiary education covering Shropshire, Telford and Wrekin, and the Welsh borders.

At the time of inspection, the college provided education and training to 3,352 young people, including 1,000 students with high needs. Learners offer a wide range of advanced level and vocational qualifications across many subject areas. As of 2018/19 the college works with three subcontracted partners.

The power of one

His college is about to become even bigger by taking over part of the debt-ridden Pershore college, which is being split into two. Overall, I am pleased to say that this inspection report confirmed that the quality of an Ellesmere education is matched only by the quality of your children, our students, who never fail to impress. Forefront in their thinking is the new 14 to 19 agenda and the joint delivery with schools for this age group.

Ofsted Reports

I am pleased to report that we met all regulatory requirements and were found to be good in the key areas of quality of education, academic achievement and other achievements, personal development of pupils, and the provision for their welfare. Find Reports by Type of Inspection Choose the type of report from the list below and you be presented with a list of all the published reports for that Inspection type. Inadequate We normally inspect them within 15 months of the latest full inspection report.

Search results

He was looking to add a wider curriculum mix to his college's offer of predominantly land-based courses.
