This was in Venice and was a result of the city being a major trading centre for the Orient to the rest of Europe. In them, she is embodied in a domestic setting as a saleswoman unfurls the fabric before her. These arrestingly sexual and surprisingly powerful images are the subject of Consuming Angels, a major examination of how Victorian ads shaped social values.

### Victorian women and roles of women in the Victorian Era.

From afar, one could likely not tell the difference between a working prostitute and an upper or middle-class woman. She is now working on a book called Military Men of Feeling, focused on the Crimean war. A century later the Worshipful Company of Fan Makers formed in 1709.
