APPROVED CODE OF PRACTICE: The Control of Substances Hazardous to Health. PHYSICAL AND CHEMICAL PROPERTIES
APPEARANCE: Liquid.

Control of substances hazardous to health (Sixth edition)

Shut down all possible sources of ignition. All hazardous substances must have a COSHH assessment, which will detail the hazards associated with their use and the precautions that must be followed. We should all go home at the end of the working day safe and healthy.

Ethanol Material Safety Data Sheet

Monitoring must be at regular intervals in addition to when a change occurs that may affect exposure reg. Do not allow chemical to enter confined spaces such as sewers due to explosion risk. There is a firm requirement to ensure that exposure is prevented wherever reasonably practicable.
