Economically mid-Atlantic states recovered particularly quickly and began manufacturing and processing goods, while New England and the South experienced more uneven recoveries.

## Confederation

During the ratification debates, Alexander Hamilton had written of the wonders of the Constitution. Tracing his ideas through the later debates on the Articles of Confederation and then on the federal constitution would be beyond the scope of this note.

## Confederation

These Native Americans sought the creation of an independent with the support of the British, posing a major foreign policy challenge to the United States. These discussions continued into late autumn, with ideology of the anti-federalists setting the framework for a majority of the laws written in this document. It was proclaimed into law on 1 July 1867.
