**Complete Catalog: European History, World History**

Europe and the American Civil War 2nd ed.

**Second French Empire**

As a result of the couple's separation and the exile of the Bonaparte family from France, Louis-Napoleon was brought up by his mother at the château of Arenenberg in Switzerland, surrounded by memories of empire. Certainly, the system of government established following the coup was constructed with the intention of strengthening the powers of the head of state at the expense of representative institutions.

**CLASSICAL DIPLOMACY » 3 Jun 1938 » The Spectator Archive**

They could not even demand any changes to working conditions as the Chapelier law in 1791 had outlawed strike action.

**Why Is France in Its Fifth Republic?**

However, most British politicians rejected this interpretation because it was counter to traditional British views on blockades, which Britain saw as one of its most effective naval weapons, as demonstrated by the and. Most European leaders were unimpressed with the Union's legal and constitutional arguments and thought it hypocritical that the U.

**French Opinion on War and Diplomacy during the Second Empire on JSTOR**

The ultimate aim was to create a Catholic Empire to act as a counterweight against the growing influence of the United States, which was Protestant.
