Hindu Philosophy

In order to contest the forms of violence and injustice particular to modern secularism, is it necessary to place secularism in connection with these other formations? God is also not a mode of something more fundamental, the way a wave is a mode of the sea or a movement is a mode of the dance.

What is the Significance of Religion & Ethical Values for a Modern Human?

In that war the victorious Allies did some nasty things. Our modern age is well acquainted with this and hence because of every scientific development, there is a development in our destroying skills as well which is very dangerous. Any hindrance to human evolution is strictly discarded.

Ethics in Hinduism

Do not deviate from study. Radhakrishnan was no longer content simply to define and defend Vedanta. Constructivism is presented as the methodological alternative to perennial philosophy.

Advaita Philosophy Research Papers

III New Series , pp. As Brahman is identical with the universal Self, and this Self is always self-conscious, it would seem that knowledge of Brahman is Self-knowledge, and that this Self-knowledge is ever present. As the causal principle, Brahman is considered non-dual and formless pure being and intelligence.

Does Ethics Require Religion?

Moreover, while Hinduism Advaita Vedanta as he defined it best exemplified his position, Radhakrishnan claimed that the genuine philosophical, theological, and literary traditions in India and the West supported his position. New York: Barnes and Noble, 1953. Stärker als in den vorangegangenen Büchern werden nun auch Meditationstechniken erörtert.

Hindu Philosophy

The first two chapters discuss Jung's myth.
