The Monogamy Myth: A Personal Handbook for Recovering from Affairs

An affair does not mean the end of a marriage.

Infidelity: Figuring It Out

I can't wait for your next installment in this series. Two studies during this decade dealing exclusively with men indicate a continuous increase in the number of men having extramarital affairs.

Our society contributes to the prevalence of affairs.

The Monogamy Myth: A Personal Handbook for Recovering from Affairs

I know we got married too young. The next most obvious place to look for problems causing an affair is the relationship itself.

Discovery: Part 1

This paper emphasizes the importance of understanding the nature and context of each affair and each couple so that healing and resolution can be achieved. These include presidents, such as Franklin D.
