## Trump proposes rollbacks to public input and safeguards for our National Forests

Evans Under statute 16 U. Recommended wilderness is distinct from designated wilderness, and is managed in accordance with Forest Plan direction as opposed to the Wilderness. The changes are part of an onslaught launched by the Trump administration against the National Environmental Policy Act, or NEPA.

## County Natural Resource Management Plan Ready for Review

You can zoom and in and out on specific areas and leave your official comments directly on this map.

## Forest Service Seeks Public Input on Wayne National Forest Management Plan Revision

Please see the Lincoln National Forest for more information. These allow ranches to remain in agricultural production and tax base in perpetuity. Specialists and technicians are the primary audience of Handbook direction.

## Forest Service Handbooks (FSH)

NEPA Reviews The BLM makes sure that its Resource Management Plans meet the requirements of the National Environmental Policy Act NEPA , either through the production of detailed Environmental Impact Statements or less-complex Environmental Assessments and related documents. Ensure that data collection meets the process criteria standards.
