### operative

The tooth to be treated must be in occlusion and the restoration must include at least one proximal contact. No departmental code is required.

### Operative dentistry

Box 100402 1395 Center Drive, D3-5 Gainesville, FL 32610-0402 Application Process Wednesday, September 1, 2021 is the deadline to apply to this program.

### operative

Professional Liability Insurance Candidates must secure and show proof of professional liability insurance covering themselves at the place and time of the examination prior to participating the clinical examination. These laboratories and clinical areas are routinely used by the faculty and the graduate students as well as by a select number of pre-doctoral students.

### Operative Dentistry

We advise applicants to apply as early as possible.

### Introduction to operative dentistry

Application Process Guidelines Applicants will be reviewed by the director and the chairman and they will decide whether the candidate will be selected for interview.

### Operative Dentistry

The testing site cannot obtain dental assistants for the candidate; however, the testing site host may be able to assist the candidate in finding a dental assistant. The first year of the program is focused on the theory and practice of dental education and preparation for clinical patient care.
