In recent years, however, scholars in a variety of disciplines have been devoting increasing attention to this topic. Where is this much-hyped industry heading? Beijing: CITIC Press, 2013 Chinese translation of the fifth edition.

## Presidential Bank Bethesda MD

The first part, on fund-raising, now includes a chapter that examines what determines the level of venture capital fund-raising and how tax policy influences the demand for venture capital. The chapter first considers the doctrine of reasonableness or rationality in administrative law before discussing the doctrine of proportionality and the notion of judicial deference in relation to variable intensity review. Thus, the general counsel has ultimate say on hiring, firing, promotion, and compensation.
