Subject Matter

As Viktoria Tegard of Virgin Atlantic alludes to in the quote above, internal communications should involve, motivate and inspire your team to go above and beyond.

Internal Communications: 2021 Tools and Best Practices

Motivate your team on different levels by showing metrics for the company, departments or even individuals. The format is flexible where teams can communicate insights with other teams they may not interact with often.

Subject Matter

Consider using purpose-built — like Enplug — to display visuals in your office. As a manager, you can introduce your team members to those that can offer some informal coaching or mentorship in these syncs. A well-formulated strategy should keep you on track and make you more efficient in reaching internal communications success.

Subject Matter

Have a running list of useful books and topics people are interested in and document the learnings for sharing to a wider company audience.

Subject Matter

We have to commit to taking the same approach to personalized employee communication that our friends in marketing take with customers. Learning goals can also be formalized by individuals with the help of their managers. How will you get there? This includes feedback from customers, of course, but also employee feedback.
