Women As World Builders; Studies In Modern Feminism by Floyd Dell, Paperback

Another reason is my belief that it is with woman as producer that we are concerned in a study of feminism, rather than with woman as lover.

She must fight for it. If only for self-protection, they desired to find in woman a comrade and an equal. The first chapter serves as a general introduction to the movement and concludes with the idea that the rise of feminism happened because men wanted it to, as they grew tired of subservient and passive women.

A tremendous lot remains to be done in the way of cooperation for the management of households and the education of children before women who are wives and mothers will be set free to take their part in the work of the outside world. The title was intriguing and reading contemporary thoughts on the Suffragette movement from a male perspective seemed interesting and, I have to admit, too good to be true.

Women as World Builders Studies in Modern Feminism by Floyd Dell

I saw this as I was looking to read Olive Schreiner's Dreams. .

Women As World Builders; Studies In Modern Feminism by Floyd Dell, Paperback

Language English LoC Class LoC Class Subject Category Text EBook-No. Men are tired of subservient women; or, to speak more exactly, of the seemingly subservient woman who effects her will by stealth—the pretty slave with all the slave's subtlety and cleverness. But it is the setting of mothers free, and not the specific kind of education which their children are to receive, which is of interest to us here.

Women as World Builders: Studies in Modern Feminism by Floyd Dell

Purchasers are also entitled to a free trial membership in the General Books Club where they can select from more than a million books without charge. One may inquire why certain other names are not included. These types, of course, merge and combine; and then there is that vast class of women who belong to none of these types—who are not good for anything! It is not necessary to transgress certain moral customs to be a courtesan; on the other hand, the term may accurately be applied to women of irreproachable morals.
