Introduction to ancient Roman art

Roman art was clearly influenced by the artistic practices popular during the classical Greek era. Above all media, the Romans preferred sculpture, viewing it as the highest form of art. Roman art has a long history that dates back all the way to the time of the Etruscans, the Roman Kingdom, the Roman Republic, and the Roman Empire.

Roman art: Architecture, painting and the human figure

The Weakened West Remains Eternal The Western Roman Empire came to an end because of various socio-political and environmental factors. We must understand that Rome was open to the influence of cultures that were far more ancient than them, and far more developed in terms of intellectualism and aesthetic achievement.

Roman Empire The Walters Art Museum

He happened to have great admiration for the Greeks and, in particular, their philosophy. Roman empire about 395 A. The absence of this ideal lead them to sculpt in multiple occasions busts and heads only.

Ancient Roman

In turn, the Eastern Empire remained strong.
