## U.S. Relations With the Philippines

While the Philippines has seen a surge in cases, Indonesia is now reporting the second most fatalities in Asia after China with 181 dead.

### ABS

None of her colleagues wear a face mask, and some of them have asked her if she is sick.

### Asia

For discussion of individual countries of the continent, see specific articles by name—e. NATASHYA GUTIERREZ: In Singapore, you know, I think the number one thing that the government has done from the get-go is clear communication. The first shipments will arrive in March.

## 17 Most Intense Archaeological Discoveries in Philippine History

Physical distancing is enforced on public transport, and face masks and shields are required for anyone stepping out of their homes. If you prefer not to leave any comment but still have a question, you can either email us or send us a message on our social media accounts.
