## Reawakening the Spirit in Work: The Power of Dharmic Management

This foremost quality of any individual is the ownership of the activities assigned which leads to a sense of responsibility. He described a situation with a client where he facilitated a group in which management and union leadership, who had been at odds for years, sat in a room and closed their eyes together. Allowing for and celebrating diversity, 3.

## Ledelsemedvisdom

Without this well-developed sensibility, no number of policies, rules or systems will provide the much-needed accountability of our leaders for their actions and impacts.

## Book: Leading with Wisdom

Paris and Milan This inspiring book is an authentic account of spirituality in business.

## The Position of Tourist Escorts in Serbia in: Economic Themes Volume 56 Issue 2 (2018)

Therefore, it is important for those of us who are interested in being servant-leaders to begin exploring aspects of service at work.
