What We Can Learn from Japanese Management

As Japanese labor leaders point out somewhat acidly, Western companies without unions IBM, for example tend to have the same kind of equitable labor relations as do Japanese companies.

Japanese Business Structures

Among the natural resources that Japan seized and developed were: coal in China, sugarcane in the , petroleum from the and , and tin and from the Dutch East Indies and.

The 100 Most Influential People for Japan (1)

Many owners in the restaurant industry are expected to follow a government request to shorten their business hours, bracing for a further drop in revenue after the number of bankruptcies in the sector hit an all-time high last year as many people refrained from dining out.

The 10 Greatest Business Leaders of All Time

The pioneer of the Model T launched more than just engines, but, through his Model T assembly line, a more efficient means of working.

Japan business leaders call for support under coronavirus emergency

But, they argue, the Japanese are better at managing tacit knowledge -- the informal occupational lore, which is generated by workers grappling with everyday problems and passed on in cafeterias and at water coolers. Perfectionism and quality are reasons to justify slower decisions in Japan; however, sometimes it is caused by lack of leadership of Japanese management.
