Literary life

Mykhailo Drahomanov, who published articles on Ukrainian literature in English journals, also helped to generate interest in the subject in the UK at that time. Yet others began to write after arriving in the UK.

Molytva v dorohy : (vybrani poezii) / Bélla Gubenko.

During and immediately after the First World War Paul Selver translated a number of works by Shevchenko, in particular Zapovit My Testament and Yakby vy znaly, panychi If, lordlings, ye could only know. The latter had an influence on their peers in the UK, both conceptually and with respect to issues of practical organisation.

Ukrainian texts were considered both in a separate chapter on Ukraine and in the chapter on Poland, to which Galicia belonged at the time. Such

new initiatives, however, were short-lived. Albert Henry Wratislaw, a Briton of Czech descent was the first significant translator of Ukrainian prose into English collection of translated folk tales, 1889.

Although the United States Holocaust Memorial Museum has reopened to exhibition visitors, numerous other facilities, such as the Library and Archives Reading Room, remain closed until further notice. Some of the second-generation writers sought inspiration from new trends in Ukrainian émigré poetry, such as the work of the New York Group of poets. In the 1970s Bohdan Nahaylo wrote articles for the journal Index on Censorship about repressed writers and literary scholars in Ukraine, such as Ivan Svitlychnyi, Vasyl Stus and Ihor Kalynets.
