## The Medieval Expansion of Europe

The period is notable in this time for its peace and a general immunity to the horrors of European religious strife.

## History of Europe

Important political precedents were also set in this period.

## Ostsiedlung

## The Medieval Expansion of Europe by J.R.S. Phillips

It was especially deadly in cities, where it was impossible to prevent the transmission of the disease from one person to another.

## History of Europe

Villages and towns were renamed in Slavic only. The renaming lasted until 1922.

## The Medieval Expansion of Europe

It was a peaceful era with a few small wars before 1922 such as the 1917—1921 and the 1919—1921. The beginning of the 11th century BC opened a new context, that of the protogeometric, the beginning of the geometric period, the of traditional historiography. A history of agriculture in Europe and America 1925.
