**gay\_1 adjective**

I personally want to redefine what gayness means Great response Pat Smith.

**Gay**

By 1955, the word gay now officially acquired the new added definition of meaning homosexual males. Sari van Anders, a feminist neuroendocrinologist, proposed the Sexual Configurations Theory to define sexual identity as a configuration of such factors as: age and generation; race and ethnicity; class background and socioeconomic status; ability and access; and religion and values.

**How Young People Are Redefining Sexuality And Romantic Attraction**

I guess some people are just overly PC, which is annoying because they can come across as quite self-righteous sometimes, and I despise self-righteousness with the passion... We also, in America, use the term gay in a negative way.

**GAY**

The only way something can be official in language is if there is a governing party that regulates it, and that is not the function of a dictionary or style guide. Michael; Vasey, Paul; Diamond, Lisa; Breedlove, S. At least the French got that right: Vive la difference! In the British comedy-drama film 1960 , directed by , about the antics of a British Army searchlight squad during World War II, there is a scene in the mess hut where the character played by proposes an after-dinner toast.

**Urban Dictionary: power bottom**

AND, BTW, at that time it referred to gay men, lesbians, trans people and intersex people. Gay in its modern sense typically refers to men lesbian being the standard term for homosexual women , but in some contexts it can be used of both men and women Origin.

**GAY**

The name chosen by this important early activist group is the main reason gay became the politically correct term instead of any of the many more common terms in use before then.
