وبعد الدراسة ظهر أن التغييرات الصوتية للافاظ العربية المقترضة في الاندونيسية تكون في كثير من مراتب لغوية صوتية ولفظية Al-Tahrīr explains the uncommon terms that were present in al-Tanbīh by al- Ḥāfiẓ Shirāzī. We argue that these doctrines are central elements of what can be referred to as Rāzī's simplified psychological theory.

I have assigned a chapter for the biography of the names mentioned in al-Ta~rif followed by a bibliography. Penelitian ini bertujuan untuk mengetahui perubahan-perubahan semantis kata-kata serapan Sunda dari Alquran, dan juga bertujuan mengetahui metode pemanfaatannya dalam pengajaran bahasa Arab untuk orang Sunda. The results of this study in imla writing problem were writing hamzah washal and qath'i, lam syamsiyah and qomariyah, alif layyinah, and tanwin fathah.
