solution to this problem-professional frustration is not unique to dual-career couples-experts say that establishing and communicating your priorities is key.

Dual

Molina at the Community College knows that because his wife did not take on progressively more demanding positions when their children were small, she wants the opportunity to do so now. Having followed Karen to Eau Claire, Glenn is now working to rebuild his career in that new location.

Dual Faculty Careers

A disenchanted trailing spouse sings the blues. Disagreements over when to have children, what region of the country to live in and how to balance work and play can spiral out of control unless you are careful, say dual-career couples.

Dual Faculty Careers

Compromises the couple makes while trying to negotiate the two-body problem have implications for gender inequality. Advice about what to discuss with your spouse before you begin applying for jobs, and about when to reveal that you are part of a dual career couple. Six years later, the college expanded their single position to two full-time positions.

Dual

Regards, Rick Reis reis stanford. Both are now at the University of Colorado. He believes the institution's desire to keep his wife happy motivated it to find a solution to the couple's dilemma.

Dual

Now he teaches in the psychology department at Case Western Reserve University in Cleveland, while she conducts research and directs the APA-accredited internship program at Applewood Centers, a large community mental health center for children and adolescents in Cleveland. Elizabeth details the pros and cons of her postdoc choices for the coming year factoring in her husband's location and describes how she decided amongst them.
