## 1980s

As a general rule we spent less on rent and groceries than we would at home, but more on eating out because at 1. Most of those who are not able to leave the country for a better livelihood elsewhere are in danger of also having a dark and clouded future.

## Spain

On my last evening I took one last stroll over La Nogalera, looked back and thought at least we had it all those years ago on how the square used to be.

## Spain From The 1980s Timeline

The planet Aldebaran had Cats, Rigel 5 had Koalas, Betelgeusia had Berserker Baboons, and someone was high on meth when they thought of all this.

## A Brief History of Canada

If you have any stories of your visit That you can write about.

## Living in Spain: Pros and Cons

I went online to search for local SPCA equivalents and found nothing. Over the decade the New York Stock Exchange nearly quadrupled as it went from just over 500 to almost 2000.
