## Image

Center for Applied Science and

Engineering, University of Delaware. To develop a system of computer-assisted diagnosis of breast cancer. Using the physical principles which account for the speckle phenomenon, we derive the optimal detector for sticks of unknown orientation in fully developed speckle, and compare the optimal detector to several sub-optimal detection rules which are more computationally efficient.

## Medical imaging 1993 [electronic resource] : image capture, formatting, and display : 14

International Neural Networks Conference, INNC-'90 , Paris, France, July 1990. Other researchers have set out to design software that recognizes additional signs of the disease. While driving in the vicinity of his country home in with his girlfriend, who also was a chemist at Cetus, he had the idea to use a pair of primers to bracket the desired DNA sequence and to copy it using DNA polymerase; a technique that would allow rapid amplification of a small stretch of DNA and become a standard procedure in molecular biology laboratories.

## STANDARD GROUND HANDLING AGREEMENT SWISSPORT

Int'l Conf Comp Vis Patt Recog CVPR , 2003. Image Processing , Newport Beach, California , pp.

## David Herzlinger, MD

Other Forms: Also issued in print.

## New digital hardcopy system for medical diagnostics

. Denying AIDS: Conspiracy Theories, Pseudoscience, and Human Tragedy. In 1992, Mullis founded a business to sell pieces of jewelry containing the amplified DNA of deceased famous people such as and.
