Sevalaya

Pandavas were delighted to see their rishi thatha. After many years, Shantanu and Satyavati had two sons, named Chitrangada and Vichitravirya. Vyasa then went into the forest looking for the Pandavas.

Maharishi Veda Vyasa

Vyasa acquired his knowledge from the four Kumaras, Narada and Lord Brahma himself.

Surekha Sikri, Who Just Won National Award, Reveals She Suffered Brain Stroke 10 Months Ago

But times have changed and such facilities are not common nowadays although Grihasthas and Rajas are not wanting who are able and willing to place at the disposal of the members of the fourth Ashrama such help and facilities as they can afford.

knramesh: Story of Veda Vyasa

To supersede this condition, Vyasa put another condition on him asking him to understand the verses even before he has recited them. I have not been able to work due to my illness.

knramesh: Story of Veda Vyasa

But Ganesha had put one condition on him; he said that he will write Mahabharata for him if only he will narrate it to him without a single pause.
