## IESA Arts and Culture

The best known icons and carvings are from Samokov, Tryavna and Bansko.

## Culture of Bulgaria

Bulgaria adopted the Communist policy of closer rapprochement with Yugoslavia.

## Bulgaria 2016 report

Family-members and friends in Bulgaria customarily exchange martenitsas, which they regard as symbols of health and longevity. The country received large amounts of Soviet weaponry, and eventually established a domestic military vehicle production capability. A few other local practices also form part of a larger spring celebration, such as purification actions in Moldova.

## People's Republic of Bulgaria

All this was achieved with strict government control and organization. Members of the first FSK Board were appointed by Slovenia, Bulgaria, Bosnia and Herzegovina, Croatia, North Macedonia, Poland, Russia, Serbia and Montenegro.

## Periodic Report Bulgaria

In the country there are also many churches that house unique examples of the Bulgarian iconographic, woodcarving and painting schools and that possess valuable manuscripts.

## About us

Bulgaria aims to impart its experience in building working representative institutions and in the process of integration into the EU, including in the field of cultural policies for promotion of cultural diversity. They are only performed by men, who wear special masks and costumes that have been made for the occasion by each of the participants.
