### Scotland becomes 1st country to make free period products the law

I applaud the Executive's actions in getting the necessary data so we can take effective action for both rural and urban Scotland. Background Fairer Scotland is our long-term initiative to create a fairer country. An inclusive and welcoming climate embraces differences and offers respect in words and actions for all people.

### Why Diversity, Equity, and Inclusion Matter — Independent Sector

The last part of the ebook examines the cessation, exclusion and refoulement clauses of the convention. Those improving trends are simply ignored — just as they were when the minister's predecessor, , introduced the social justice document last year.

### 10 Reasons Why Social Justice Is Important

I am pleased that reminded us of our socialist commitments, as I hope that I will maintain my commitment. It must be concerned with supporting families, ensuring full employment and providing opportunities for people with different forms of disability. We should not beat about the bush much longer—the stock transfer plan was begun in Westminster, before the Scottish Parliament was created.

### Social justice...a Scotland where everyone matters

It is headed by the , who is responsible for prosecution, along with the , under. As Rawls observes, this would be very divisive and a recipe for religious controversy if not civil strife.

### What Is Social Justice? Equality and Equity?

As stated above, our representatives in the Original Position are given the task of selecting principles of justice that will govern the basic structure of society. More may be said later about cosmopolitan justice. The new ALTERnativity resource helps people to think through their actions at Christmas and yet still have a joyful, meaningful and fun celebration.

Danny will update us on the conference in the coming weeks.
