Ceramics & Pottery from North American Artists

New York: Crown Publishers, 1968.

Diagnostic Artifacts in Maryland

It is blue and white scroddled ware, and the edge is decorated with 12 molded pectin shells.

Arthur F. Goldberg, Peter Warwick, and Leslie Warwick

The production of utilitarian stoneware in North America increased dramatically during the nineteenth century.

Directory of Potters

Note the vine and berry coggling around the top. Excavations initiated in 2013 have encountered well-preserved features, and have produced a useful sample of product and production debris over three field seasons.

Pottery

I'll try to list any times when I know ahead that Westmoore Pottery will be closed. Alkaline glaze vessels also show a range of surface textures, with some vessels relatively smooth in texture, while others exhibit streaks and runs of glaze.

Decorated Stoneware Pottery of North America by Donald Blake Webster

Today the museum has one of the finest collections of early American ceramics in the United States. Female figures are common in anthropomorphic effigy vessels.
