

Killer Vampires from Hell

Horizon Books - Horror Movie Killers, Ranked By the Number of Victims

Description: In this story, Benny Wong follows his Auntie Nancy to the Spirit World where he meets Ta-kung, the Lord of The Hills and Valleys of the peaceful Shang-aya, 'a region somewhere near Paradise'. Ta-kung asks Benny to help to recapture Ah Chak, the demon vampire, who had escaped from hell with other vampires and returned to the World of the Living. After three thrilling battles with the vampires, Benny heroically recaptures Ah Chak with the help of the powerful 'Lightning Sword' given to him by Ta-kung.

Top 15 Best Vampire Anime of All Time

Some argue that even the briefest exposure to UV radiation will turn a vampire into a pillar of screaming flames; others maintain that truly powerful vampires can move around freely during the daytime, suffering only the temporary loss of their super-human abilities. The most prolific female murderer and the most prolific murderer of the western world, was Elizabeth Bathory, who practised vampirism on girls and young women.

Chucky 51 Kills Chucky might be a doll, but he's been carving through people left and right over the years with increasing creativity.

Buffy The Vampire Slayer: 10 Scariest Monsters, Ranked

According to the testimonies, Báthory's first victims were girls aged 10 to 14 years.

From The Vampire Diaries' Mystic Falls To Teen Wolf's Beacon Hill

Mankind has always had an innate fear of what could be lurking in the dark. A vampire's teeth appear no different than regular human teeth. She gets fairly upset and nervous when you question her, but she does admit to receiving a sweetroll.
