## The regional approach to management of marine pollution in the South Pacific

Very little public awareness programs had been carried out to inform stakeholders about land husbandry provisions stated in these laws and also written into rural land leases. A distance education research agenda: a survey of expert opinions from developed and developing countries.

Gago, Guam ironwood tree, Casuarina equisetifolia: past, present, future R.

## ESDA

These international efforts should yield even greater results in the year to come.

## The regional approach to management of marine pollution in the South Pacific

This funding supports ongoing programs in the Republic of Marshall Islands, the Solomon Islands, and Republic of Palau and allows us to respond effectively and quickly when new needs arise. In doing so, the court was conflating the individual freedom of movement enjoyed by A with her marriage to R, which, as a consequence, gave R rights to which he was not otherwise entitled.
