## The Main Principles of Money Management: How to Budget Better

Many people get rich, only to blow through their earnings in a matter of years. I am a strong believer that the more people you can help, the richer you get — both psychologically and financially.

## Emergency Funds: Why, Where, and How Much

Typically we recommend people under 30 invest in the Golden Butterfly Portfolio.

## Average Net Worth By Age: How Do You Stack Up In 2021?

She is a personal finance expert and author. She recommended investing across several asset classes to gradually build wealth. So, here goes... Debt is a financial monster just waiting to devour your money and your financial future.

## How to Stay Out of Debt With a Low Income

When you get your income, you assign each portion to a specific envelope, so that every portion of income has its place. But for most people every 3 months or twice a year is good. The trick is to do it.
