The reason for this was the Spanish Government's closure of the border between Gibraltar and Spain on 9 June 1969, with the consequent sudden withdrawal of the Spanish labour force of 4,666 men who had previously entered Gibraltar daily to work. The last decade has witnessed a substantial change in the family role structure and family decision-making which is, in turn, reflected in the marketplace. Given the fact that both spouses perceived children to exert a high amount of influence in vacation decision-making, the researcher chose this decision area to explore further children's influence patterns across families.

Irish Culture

Everybody wants to go for a nuclear family in the modern society because of its advantages which certainly outnumber the disadvantages.

The Influence of Children in Family Decision

The taking of a Census in Gibraltar dates to before the eighteenth century.
