Disability aesthetics and the body beautiful: Signposts in the history of art Tobin Siebers 2008

Such an account of organisms as teleological is not original to Kant. Both limbs are severed at the knee. The judgment results in pleasure, rather than pleasure resulting in judgment.

Kant, Immanuel: Aesthetics

The non-disabled woman, lying in the grass next to the pool, exists in the here and now.

In other words, analysis of our aesthetic heritage, however instructive it may be, must be based on feeling for history, its knowledge and understanding without unnecessary modernisation and with due consideration for historic distance, so to speak. I will return to each of the five arguments for scientific cognitivism next.

Making the Body Beautiful: A Cultural History of Aesthetic Surgery

The city had an aesthetic appeal as well as it was planned to house the monarch, his court and the nobility. There was a time when European thought received inspiration from the world of Islam. A Cultural Account of Desire, Delight and Disgust in Fashion, Food and Art London: Bloomsbury, 2016.
