10 Major Accomplishments of Harry S. Truman

With victory in Europe was imminent, Truman agonized over whether to use nuclear weapons to force Japan to surrender. The committee made it a practice to issue draft reports of its findings to corporations, unions, and government agencies under investigation, allowing for the correction of abuses before formal action was initiated.

Truman used this fact along with a desire to show the Soviet Union the might of the US military to justify his using the bombs on Japan. It probably also saved a half million youngsters on both sides from being maimed for life.
