**Information feudalism : who owns the knowledge economy? (eBook, 2002) [satis.farmjournal.com]**

In a few short years, the battle over intellectual property rights has emerged from obscurity to become front-page news. All this reinstates that the constraints have their own limitations, and need to be used in a cooperative approach.

**Information Feudalism: Who Owns the Knowledge Economy?: Drahos, Peter, Braithwaite, John: 9781595581228: satis.farmjournal.com: Books**

The book keeps the readers interested by discussing crime stories from three continents and presents issues and solutions that today's online community faces. Based on extensive interviews with key players, this book tells the story of these profound transformations in information ownership.
