Administration

The preface assumes the student is stereotypically American white upper middle class and has access to all technologies and experiences associated with that.

American Pride Hits New Low; Few Proud of Political System

The most important issue that will decide the fate of the country is what sort of changes are going to occur in the political and intelligence apparatus, such that a continuation of this tyrannical treason is finally stopped in its tracks and unable to sow further discord and chaos.

Treason in America: An Overview of the FBI, CIA and Matters of 'National Security' — Strategic Culture

For example, the chapters on Civil Liberties and Civil Rights discusses the civil rights challenges faced by African Americans, Latinos, Asian Americans, Native Americans, Americans with Disabilities, lesbians, and gay men, among others. What is also somewhat noteworthy is that the text presents the material from a point of view that current events are included, as well as pop culture references to help undergraduates connect learning outside of the classroom with what they are learning on a college campus.
