Newt Gingrich: Take it From Me, Trump is Heading for a Landslide in 2020

It is a story that Gingrich tells at least three or four times a week. While Gingrich elevated partisanship over governing at every turn, Atwater did the same with campaigning.

Gingrich: The Party of One

In the minds of many Republicans, he was right.

Good Newt, Bad Newt

But in the end, this gets him on all three major news networks: ABC, CBS and NBC.

Newt Gingrich: 'Destructive barbarians' who stormed Capitol should be 'locked up and punished'

Pelosi, meanwhile, has been instrumental in securing a second impeachment of former President Donald Trump. They didn't know that's how the new political game was going to be played.

Newt Gingrich, a major Trump ally, has a complicated love affair with science

Like Samson, Gingrich is willing to pull down the temple around him. I stood recently at Checkpoint Charlie and I saw where the Berlin Wall had once been, where millions had lived in slavery only 20 years ago and I realized that it could happen again.

Yahoo ist jetzt Teil von Verizon Media

He justified this behavior by saying that he delivered on policy results, but apparently his colleagues believed they could achieve similar results under a less high-handed Tom Foley Speakership. A huge fan of zoos, Gingrich has co-authored books on conservation and environmental issues with psychobiologist , who ran zoos in Atlanta and Palm Beach, Florida.
