## Patrologiae Cursus Completus: Series Latina (221 vols.)

The 38-volume edition of the Early Church Fathers, edited by Philip Schaff, used many of the Patrologia Latina volumes as its translation base, but the Patrologia Latina contains many works of the Church Fathers not translated by Schaff and not available in English.

J.

Caesarius, brother of Gregory; 4 dialogues. Hopefully this will go through.

## Patrologia

Although consisting of reprints of old editions, which often contain mistakes and do not comply with modern standards of scholarship, the series, due to its availability it is present in many academic libraries and the fact that it incorporates many texts of which no modern critical edition is available, is still widely used by scholars of the and is in this respect comparable to the.
