Maurice Brianchon

BIBLIOGRAPHIE : Maurice Brianchon, Catalogue raisonné de l' Né en 1989 à Fresnay-sur-Sarthe en France, il étudie à l'Ecole des Arts Décoratifs de Paris.

Maurice Brianchon (French, 1888)

Overall this work is in good condition.

Maurice Brianchon (1899)

The following year he won the Prix Blumenthal which enabled him to live in Spain for a time where he studied the paintings of the Spanish Masters, with a particular interest in Velasquez. Brianchon did not put forward any new theories, nor noisily associated himself with those popular in his youth, yet it is clear he had complete mastery of himself and an awareness of his aims.
