## Chế độ cũ (Pháp)

A further century elapsed before this hegemony was challenged, and even then the collapse of monarchy in 1788 took most people by surprise. To the proprietors, many of whom never even visited their Shōen, it was simply a source of fixed income and so long as they received their revenues they were willing to neglect their estates almost entirely and focus instead on the events at court. He recognized that France needed to rebuild, so he pursued a peace policy.

## Chế độ cũ (Pháp)

The governing system that formed under the rule of the emperor was known as the *ritsuryō* system, based on contemporary systems in China, and was organized around the principle that all the land of Japan was owned by the emperor.

## Old Regime France 1648

The area around the lower Seine became a source of particular concern when took possession of the kingdom of England by the of 1066, making himself and his heirs the King's equal outside France where he was still nominally subject to the Crown.

## Old Regime France 1648

The main powers had exhausted themselves in warfare, with many deaths, disabled veterans, ruined navies, high pension costs, heavy loans and high taxes. What is now eastern France Lorraine, Arelat was not part of Western Francia to begin with and was only incorporated into the kingdom during the. France had a poorly designed taxation system, whereby tax farmers kept much of the money, and the treasury was always short.
