## A Brief Overview and Historical Background on Labor and Employment Arbitration

See Colvin and Gough 2015 1027 , reporting that 10,335 claims were filed with the AAA over the 11-year period from 2003—2013.

## The growing use of mandatory arbitration: Access to the courts is now barred for more than 60 million American workers

At about the same time, however, funding for the turnover program was cut in half as part of general budget reductions. In June 1940, Secretary Perkins gave Lubin a new assignment as economic adviser to Sidney Hillman, the head of the Labor Division of the National Defense Advisory Commission.

## History : Handbook of Methods: U.S. Bureau of Labor Statistics

However, coming on the heels of the termination of the press briefings, the changes were attacked as politically inspired. All of this occurred in 1885.<sup>1</sup> It found 423 arbitration cases exclusive of decisions rendered by governmental agencies during World War I.

## Arbitration

Contrary to his expectations, it was accepted, becoming effective in January.

## A Brief Overview and Historical Background on Labor and Employment Arbitration

By contrast, in the employment arena our knowledge of the extent of mandatory arbitration was limited to a few surveys from the 1990s and early 2000s, the latter of which suggested that nearly a quarter of employees might have been subject to mandatory arbitration by that point in time.

## Historical Survey of Labor Arbitration

Later in the decade, the Bureau concentrated on pension and retirement income. Reviews of the Bureau's early work were overwhelmingly

positive. Also, the decision was made that Bureau professionals would only release figures and administration officials would make separate political statements.

### **Historical Survey of Labor Arbitration**

Labor agreements were treated as binding contracts under state law. In any event, an employee can presumably still file charges with the Equal Employment Opportunity Commission. Results from the study influenced the establishment in 1911 of a special unit in the Bureau of Labor to conduct studies relating to the condition of women in the United States and also the creation of the Children's Bureau in 1917.

### **History : Handbook of Methods: U.S. Bureau of Labor Statistics**

Ford Hinrichs became the Acting Commissioner and remained so until Lubin's resignation from Government service in 1946. Neill tackled several large issues during his 8 years as Commissioner.
