## The Selection and Description of Supreme Court Justices Case Study

The next sections present two theoretical perspectives used by scholars to understand this important outcome. This topic comes under the subject of Indian Polity in General Studies paper 2 of the UPSC Syllabus. Given that thousands of petitions are sent to the Court each term, gaining entry onto the discuss list is not an easy task, but how does this initial whittling down compare to the actual agenda-setting decision to grant or deny review? For one, this decision is likely to be hastier considering the vast number of cases that are in contention.

### **Selection process for Supreme Court Justice launched**

Legal considerations, such as the existence of conflict between circuits, were traditionally viewed as factors associated with a heightened likelihood of granting review. Please join me in standing with Justice Don Willett. The candidate is informed of the outcome, and the Prime Minister's Office then makes an announcement.
