Messina Medievale

While the Longobardic regions of Italy were undergoing the shift toward feudalism, the Byzantine territories retained a social and economic order more akin to the Roman model, at least for a time. Quando i messinesi capirono che il contagio era da ricondursi all'arrivo delle navi genovesi, queste ultime vennero scacciate al largo, ma ormai l'infezione era dilagante e in poco tempo si sarebbe diffusa in tutta con effetti devastanti fino al. Nel subì le distruzioni di un altro e ancora dei bombardamenti della.
