Education for library and information work in Ghana: Challenges of the new decade

Susanne Seidelin and Stuart Hamilton. The objective of goal 2 of the UN agenda and aspiration 1 of the AU agenda 2063 is to eradicate poverty at all levels, in all social classes.

Library and Information Science Education (LIS) and the Gaps that Inhibit the Production of Professionals for Effective Management of Libraries in Ghana

Aside online training, participants of the programme periodically convene for training workshops during the Association's pre-conferences and are expected to embark community-based projects, based on an identified local problem. The most recent Library Ministers Meeting took place in October 2019 in Accra, Ghana and conference was represented by Ministers, Deputy Ministers, representatives or delegates and National Library Directors from 25 African countries. However, they are faced with few problems that hamper their smooth operations.

Library and Information Science Education (LIS) and the Gaps that Inhibit the Production of Professionals for Effective Management of Libraries in Ghana

The ever fast growing and dynamic environment of libraries in academic institutions requires LIS educators and advocates in the country to have a new outlook for the profession.

USE OF LIBRARY RESOURCE AND SERVICES FOR NATIONAL DEVELOPMENT

The establishment of national co-ordinating bodies by legislation is particularly advocated as a means of providing firmer bases for the library and information services and creating conditions that would encourage the effective development and use of the services. There is also evidence of diaspora and international member institutions however, that category of members constitutes less than 2% of total membership. Farkas, M 2006 Skills for the 21st Century Librarian.

The State of Ghanaian libraries: How can we improve on it?

Tsebe served as the first elected President of the Association, from 2015 to 2019 and is presently a member of the Governing Council as the immediate Past President of the Association. Achimota School, however, was left with a rich legacy and today it possesses one of the best School libraries in the country.

Unit 1

Executives of the Sections are elected by the sectional members every two years. Members of the Interim Committee are considered as the founding Governing Council of the organization.

USE OF LIBRARY RESOURCE AND SERVICES FOR NATIONAL DEVELOPMENT

Nyarai Chibanda Chair, Public and Community Libraries Section Ms. To play their role in this developmental process, librarians and information managers must receive a fitting professional education.

Legislation for Library and Information Services in Anglophone West Africa, Libri

The program provides e-learning courses via a platform to participants.
