Ecosystem

Is this the kind of thing that you guys are doing in taking consciousness or qualia to be something real or serious? Mike: I think this is a very clever move by David Chalmers. A closely observed look at the machinations behind recent victories for sexual minorities, this book is essential reading across several fields. Through critical inquiry into the transitional early colonial period, this study sheds new light on pre-modern and modern India, with implications for our understanding of contemporary politics.

Ecosystem

Students will look at historical precedents in an effort to clarify the reality and the background leading up to the current situation.
