## **Islamic Jurisprudence In The Modern World**

From different geographical and ideological points across the contemporary Arab world, Haddad and Stowasser

demonstrate the range of views on just what Islam's legal heritage in the region should be. Dzięki chmurze tagów znaczników możesz zobaczyć jeszcze więcej powiązanych tematów badawczych i znaleźć dla nich bibliografie tematyczne. The book provides a timely examination of the issue of modern Saudi Arabia, Islamic legal order vis-à-vis the contemporary concept of international law and international relations in specific areas such as international human rights law and trans-national economic matters.

## **Islamic Jurisprudence In The Modern World**

Although most Arab states now have national codes of law that reflect Western influence, fierce internal struggles continue over how to interpret Islamic law, particularly in the areas of gender and family. Weaving powerful personal stories with broader global examples, he shows the ways that some interpretations of Islam today have undermined its potential in peace and love.

## **Rome Et Les Eglises Nationales, Viie**

This is an important and prestigious volume showcasing leading progressive Islamic thinkers.

### **Description: Rome et les églises nationales**

Baderin asserts that Islamic law can serve as an important vehicle for the guarantee and enforcement of international human rights law in the Muslim world, and the volume concludes with recommendations to that effect. Sir William Blair provides the foreword to a book which acknowledges that Islam continues to play a vital role not just in the Middle East but across the wider world, the discussion on which the authors embark is a crucial one.
