Drawings by Thomas Rowlandson in the Huntington Collection

The book will be of immense value to the student of art history, and the layman will be delighted by the vigor and sheer virtuosity of Rowlandson's work. Smith calls into question many of the received assumptions about the history of watercolour painting. He has also written pamphlets for the public on notable individual objects in the collection , catalogs for many exhibitions , books on the work of single artists , and two editions of The Huntington Art.
