**Innovations in Clinical Practice: Focus on Groups, Couples, & Family Therapy (18 CE Credits/Hours)**

You keep outside relationships and interests alive. Constantly giving to others at the expense of your own needs will only build resentment and anger.

**National Pastoral Initiative for Marriage: Focus Groups With Remarried Couples**

Many couples focus on their relationship

only when there are specific, unavoidable problems to overcome. Blind mines — Take turns blindfolding and guiding each other through an obstacle course in your living room.

**Christian Books, Bibles, Gifts & more.**

Specialized Knowledge Systems approaches provide a basis for identifying common relational processes that exist in all families, regardless of culture or structure. When the annulments were granted, they had their marriage convalidated. However, as she clarified, members are actually encouraged to turn to each other for support, feedback and connection, instead of getting all of that from the clinician.

**Couple and Family Psychology**

However, this playful attitude can sometimes be forgotten as life challenges start getting in the way or old resentments start building up.
